

Produce Bags

Castaway® narrow-width star sealed produce bags are designed to hold a large quantity of fruit, vegetables, and other produce. The slimmer profile of the roll provides additional space to put the focus back on your produce and not on the roll.

* Easily identifiable sleeves and cartons

- * Specially formulated, perforated bags for easy opening & loading
- * Large gusseted size offers greater volume capacity reducing the number of bags required
- * Suitable for packaging fruit, vegetables, nuts and other produce items
- * Made from high density polyethylene
